

KELL SOCCER

The 2012 Kell Longhorn Soccer teams are back this year looking to continue to have another strong season. However, we cannot do it without the support of our community.

Cobb County has provided us with wonderful facilities for our student athletes to compete. However, the funds needed to buy uniforms, equipment, travel expenses, etc. are provided completely by the Kell Soccer Booster Club, comprised of local business sponsors, student athletes, and parents.

The Kell Soccer Booster Club, a non-profit organization, raises funds to support Longhorn Soccer through Business Sponsorship advertising sales and concession revenues at the games.

We offer three levels of corporate sponsorship:

Banner Advertising - \$300 Donation (renewal of existing banner - \$200)

- A 4' x 4' vinyl banner displayed on the stadium fence surrounding the field - banner will be visible for ALL spring sports (soccer & lacrosse)
- Company logo displayed on the www.kellsoccer.com website with link to company website
- Recognition of sponsorship over PA system at home games
- Recognition of sponsorship at year-end banquet

Web Advertising - \$100 Donation

- Company logo displayed on the www.kellsoccer.com website with link to company website
- Recognition of sponsorship at year-end banquet

Adopt A Ball - \$30 Donation

- Company name is placed on banner with other contributors to "Adopt A Ball" program

Thank you for supporting our student athletes. Your tax-deductible contribution will enable us to continue to build upon our program and secure the future of our players.

To become a sponsor of Kell soccer, please complete the form below:
